# Prayer for Canada

God, I come before you,  
simply praying that  
the wind of your Holy Spirit  
would blow across  
this entire nation.

I repent for my lack of unity  
and for not always allowing  
you to move as you desire.  
I ask for your Spirit to work  
in my life, in the lives of  
all believers, across every  
denomination and province.

Lord, I lift up our leaders  
to you. Open their eyes to  
your truth, guide their hearts  
with wisdom, and protect  
this land. I pray that Canada  
would be preserved by your  
grace and that your kingdom  
would come in this nation.

Come, Holy Spirit, come.  
Move in power and  
awaken every heart to you.

In Jesus' name,  
Amen.
